Call for Applications for a Tenure-Track Position at Chiba University 2017

Department of Mathematics and Informatics

Graduate School of Science, Chiba University

We are inviting applications for a tenure-track position, at the rank of assistant professor for a 5-year term.

1. Job title, number of position:

Assistant professor (a tenure-track position of a maximum of five years), 1

Tenure review will be held during the five-year term. A successful member in the tenure assessment will be promoted to a tenured position at the Department of Mathematics and Informatics.

http://www.chiba-u.ac.jp/tenure/invitation/

2. Research and Education area:

Geometry

The Graduate School of Science is seeking a young mathematician as a tenure-track assistant professor (in principle as a tenure-track faculty provided by Chiba University Tenure-track System). We are seeking applicants with significant achievements and expertise in research fields of Geometry.

The appointee will be engaged in education and research in graduate and undergraduate courses, including general education at Chiba University.

3. Starting Date:

February 1, 2017

4. Qualifications:

Ph.D. degree (or an equivalent degree) at the time of appointment is required.

It is also required that applicants are at age 34 years or younger as of March 31, 2017. (Note: This employment is funded by the grant for promoting enhancement of the National University Reform and aims to accelerate recruitment of young researchers pursuant to Article 1-3, paragraph 1 of the Ordinance for Enforcement of the Employment Measures Act.)

Applicants should be highly qualified in the research area specified above.

Commitment to teaching is also essential. Japanese language proficiency for research and educational activities, giving lectures and administrative work is required.

5. Basic salary:

Basic salary is determined in accordance with regulations of Chiba University and with consideration of qualification, work experience and achievement.

6. Application documents:

(1) Curriculum vitae (with address, E-mail address, and photo attached)

(2) List of publications (classified into (a) papers in refereed journals, (b) reviews, (c) books, (d) scientific research grants, (e) conference presentations, awards, etc.)

(3) Reprints or copies of representative publications, not exceeding 5

(4) Name, phone number, and E-mail address of two references

(5) Summary of research achievements and future perspective of your research at Chiba University (about 2 pages)

(6) Description of teaching experience and future plan of educational activities at Chiba University (about one page)

7. Application deadline:

November 30, 2016

8. Address for submitting the application:

Professor Ken'ichi Kuga

Department of Mathematics and Informatics, Graduate School of Science, Chiba University

1-33 Yayoi-cho, Inage-ku, Chiba 263-8522 Japan

E-mail kuga@math.s.chiba-u.ac.jp

The application should be sent by registered mail, with "Application documents for assistant professorship in Geometry" written in red on the envelope. Application documents will not be returned.

Personal information is protected by the relevant Japanese law and the rules of Chiba University. (Although your application is kept secret, inquiry may be made to the references specified in the Application Form)

9. Selection:

During the selection procedure, those who pass the first step based on the application documents submitted will possibly be called for an interview at Chiba University. Travel expenses will not be paid. The final decision will be made by the Evaluation and Selection Committee for Tenure-Track Positions. Selection result will be notified individually. We welcome all qualified applicants, regardless of nationality or gender.
